RE: California Criminal History Information

Dear Applicant:

This is in response to your record review request concerning the existence of a California criminal history record maintained in the files of the Department of Justice's Bureau of Criminal Information and Analysis. Your fingerprints did identify to an existing California criminal history record and a copy of that record is enclosed. If you wish to challenge the accuracy or completeness of your record, please complete and return the enclosed form (BCIA 8706) and supporting documentation to the address noted above.

Pursuant to California Penal Code section 11121, the purpose of a record review request is to afford an individual with a copy of their record and to refute any erroneous or inaccurate information contained therein. The intent is not to be used for licensing, certification or employment purposes.

Additionally, California Penal Code sections 11125, 11142, and 11143 does not allow for a person or agency to make a request to another person to provide them with a copy of an individual's criminal history or notification that a record does not exist; does not allow an authorized person to furnish the record to an unauthorized person; nor does it allow an unauthorized person to buy, receive or possess the record or information. A violation of these section codes is a misdemeanor.

Sincerely,

*Cindy Santos*
