

#### Feedback 02:

- Tutorials are not clear
- Can you dislike people's profile?
- How to go back from the past trip to profile?
- What if you want to go on a trip that's full?
- Implement filter
- How to leave the requested chat room
- Can you like your own profile?
- Instagram link is good
- Recommendation screen: show name of trips
- If bored at weekends, find the trips not full
- Find people who know how to drive
- Friends
- Fix the spelling

#### Feedback 03:

- User notified about new trips too often, might be better if only notified by friends' trips
- See only friends post trips
- Search time, friends, who are going
- People want to go to some events even no friends
- Categorized activities (filter by locations and types)
- Include events organized by the organization rather than individuals
- Why show full trips if there is no space
- Aim for friends or aim to meet new friends
- Reliability of user identities, strangers, limit to Cornell
- Concern: no place to go in Ithaca
- Add tasks in trip
- Find companions
